

Double Nectar points from BOC throughout February – that's 4 points per £1 spent! (ex VAT)

It couldn't be easier to increase your Nectar points balance with BOC. Simply provide your Nectar Business/Nectar card or card details when buying eligible items from our extensive range and we'll automatically double your points!

BOC is proud to be the only industrial gas and safety products supplier where you can collect Nectar points. You can then spend your points on rewards for your business or treats for you.

If you don't have a Nectar Business card, simply visit www.nectar-business.com to register, or ask us when you place your next order at the BOC Customer Service Centre or BOC retail store.

Nectar points are also easy to collect through these great names:

You can also collect on your personal spend:
